## What to Do Next

### **If you scored 0 or 1 in any section**

Talk to your teacher about taking on additional challenges!

### **If you scored 2 or 3 in any section**

You're probably doing just fine in that subject area.

### **If your scored 4, 5 or 6 in any section**

Talk to your teachers, counselor, and parents/caregivers. You may need to be taught in a different way to be successful.
